

# We are the network

Your NGN news update  
August 2019

together  
we are the network

## Have your say on our business plan

We're proud to keep the north cooking on gas, serving over 2.7 million homes and businesses in the North East, Northern Cumbria and much of Yorkshire. For the last two years, we've been busy working on our next business plan - setting out how we will invest bill payer's money from 2021 – 2026 and beyond. Have your say by taking our [online survey](#).

### This is your last chance to have a say on our future business plan for 2021-2026

We've gone further than ever before to develop an ambitious plan for 2021 – 2026 and beyond, that delivers what you want. Now we're testing this plan to see how acceptable and affordable you think it is.

As a trusted stakeholder your insights are invaluable and will inform what we will deliver for our customers over the next five years, so please take the time to let us know what you think.

Find out more about our future business plan from 2021 – 2026 and take our [online survey](#) before Friday 6th September 2019.

### What do you think of our business plan?

Now we have developed our business plan, we would love to hear what you have to say about it!

Click the link below to find out more about our plan and let us know how acceptable and affordable you think it is.

Thank you.
